

Which insurance companies cover reflexology?

Last updated: March 15, 2022

These companies often check with RAC Head Office to make sure the therapist listed on the receipt is a current **RCRT™ in good standing**:

Blue Cross* (therapists need to be registered as an approved Health Care Provider in each province where their clients are filing their claims)

****UPDATE: January 2020**

– Currently AB Blue Cross and Pacific Blue Cross (BC) are reviewing their paramedical service coverage.
